

Delete Parallels account

- Parallels Desktop for Mac Pro Edition
- Parallels Access for Business
- Parallels Desktop for Mac Business Edition
- Parallels Access
- Parallels Toolbox Business Edition
- Parallels Desktop for Mac Standard Edition
- Parallels Toolbox
- Parallels Device Management
- Parallels Remote Application Server

To delete your account with Parallels, open the [Personal Profile](#) page of your account and click on **Delete Account**.

Type your account password to start the procedure, and then follow the instructions sent to your account email to complete it.

Note: A deleted account cannot be reactivated, and the email address cannot be reused for at least 60 days while we're making sure that all data is completely removed from all Parallels services.
