How do I get Parallels Toolbox for Mac?

- Parallels Toolbox
- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition

- Parallels Toolbox for Mac is included as complimentary software with Parallels Desktop for Mac. For more licensing details see KB 124228.

  To learn how to turn on Parallels Toolbox utilities from Parallels Desktop, see KB 123925.
- You can also download a stand-alone copy of Parallels Toolbox at the Parallels website:

  https://www.parallels.com/toolbox
